OLD LETTER

Dear

We have been notified that you did not receive the state of Washington warrant listed on the attached Affidavit of Lost or Destroyed Warrant Request for Replacement, form **F242-026-000**. The State Treasurers' Office informed us that the warrant is outstanding and has not been cashed as of today's date.

You need to sign and return the attached request. Your signature must be notarized

It is our policy to reissue a payment to you within seven calendar days from the date we receive the request. However, if it is determined that you are not entitled to the funds, or that the warrant has been negotiated and cashed, we must contact you directly before any further action is taken.

Please return the completed request as soon as possible so we can begin the replacement process.

Thank you for your patience.
